Help Support the Department Encampment by Honoring

Your Camp and Saluting the Service of Your Civil War Ancestor

For almost two decades it has been customary for Brothers, Sisters, Camps, and others who desire, to financially support the Department of California and Pacific and help defray some of the expenses inherent with organizing a momentous Department Encampment. One method of doing this is with the placement of “advertisements” in the Encampment Program booklet. These ads are an opportunity for you to honor your ancestors, salute veterans’ service, and even brag about yourself or the good work your Camp is doing.

Meeting room rental costs have skyrocketed over the past few years (primarily since the COVID invasion); 2025-2026 is no exception. This year the Encampment Committee is trying a different approach to fundraising vis-à-vis Program Advertisements. For this Encampment there are 10 different levels of support for all to donate and have their advertisement displayed in the Encampment Program. **Remember, the Department of California and Pacific falls under the 501(c)3 tax exempt status of the National Organization when you make a donation to have your ad included in the Program.**

Please check the appropriate donation box and follow the advertisement submission/donation and return instructions on page two of this form. This is a fillable-savable PDF form.
